STANDARDS FOR CONSIDERATION

In addition to the criteria previously listed, applications will be judged on citizenship, leadership, character, personality, and community service. Exhibits evidencing notable achievements in these areas may be attached. Remove all letters from envelopes and bind the letters flat. The applicant should avoid repetitious accounts.

Responses requiring extra space should be written on separate 8 ½ x 11 sheets of paper.

We also require the following:

1. A formal letter of endorsement and presentation signed by the President and/or Scholarship Chairperson of the chapter sponsoring the applicant. This letter should attest to the data submitted.
2. Two letters of recommendation, neither over 200 words. One from a school official and one from a member of the community, not affiliated with the school.

Applications that do not conform to the foregoing requirements will not be considered.

Experience indicates that a scholarship rating of 90% or better, and a relative standing in the upper 10% of a college aptitude test are necessary to qualify for serious consideration of the award.
